25 Re- S No 10 of Hanmunathapur Village, Bangalore Taluk endowed to Sri Guruvannadevaru Mutt, Bangalore was ordered in G O No 183-6/Muz 273-27-6 dated 24-7-1928 to be resumed since it was no longer used for agricultural purposes and an equal extent of land was ordered to be given in exchange for the same on the cancellation of the above grant

26 On 13-11-1929 the Deputy Commissioner, Bangalore wrote to the Muzrai Commissioner stating the intention of the Bangalore Woollen, Cotton and Silk Mills Co ,Ltd , to buy the said S No at 13 annas per sq yard which includes special fines etc , payable for the conversion of the Agricultural land into non-agricultural purposes, the proceeds being ordered to be paid to the Mutt after deducting the value of the land to be granted in exchange as Inam The Muzrai Commissioner in forwarding the copy of the above letter sated on 20-12-1929, that the Mutt was not willing to sell the land but only wanted to lease it out for 99 years on Rs75/- per mensem and recommended the lease for 50 years instead of for 99 years This recommendation was vetoed by Government as they saw no reason to reconsider the orders already passed in the matter (Vide G O No 1852-5/Muz 186-29-2 dated 5-3-30)

27 Thereupon on 16-6-1930 the Swami of the Mutt prayed for cancellation of the previous orders on the subject and sought permission to lease the land himself or sell it outright to the Cotton and Silk Mills Co ,Ltd After a perusal of the records on the subject got from the Muzrai

Commissioner he was informed that the Mutt was entitled to no more than an equal extent of land of similar quality in as near a place as ~~practicable~~ possible He was also asked to make an offer of a cash grant of Rs15/- per mensem to the Mutt authorities for ten years in the first instance in lieu of the land and to enquire if the ~~Mutt~~ Mutt authorities were willing to take the land from Government on lease for a period of 50 years at Rs 75/- per mensem The Muzrai Commissioner replied on 9th March 1931 that the Company were prepared to purchase the land at 13 annas per sq yrd and were not willing to take it on lease on the terms proposed He further reported on 24-8-1931 that the Matadhipathi was neither agreeable to accept the cash grant nor to take an exchange of land on the ground that the Institution would suffer by such an arrangement The Muzrai Commissioner finally reported on 12-5-1932 that the Swami of the Mutt was not amenable to any reasonable proposal made and that the orders of resumption may be enforced. This was approved in this office letter No 1763 of 20-5-1932 In May 1932 the Swami again petitioned that Government has no jurisdiction to resume a land which was never granted as Inam by them In reply he was asked to refer to G O No 183-6/Muz 273-27-6 dated 24-7-1928 already passed on the subject Thereupon the Matadhipathi sent through his Counsel two notices that he would file a suit in a proper court of law (Vide Law 19-32-5 and Law 120-32-5) The Law Section

MAHARAJA OF MYSORE - BANGALORE

Muz Mis Petition No of 1933 - 34 Muz 315-33-1

PETITIONER - Sri Mahanta Swami,
Mathadhikari of -
Sri Guruvanna Devara-
Mutt, Magadi Road,
Bangalore City

@=@=@=@=@=@=@

The Petitioner above-named respectfully begs to state as follows -

1 The land Re S No 10 of Hanumanthapura Village, Kasaba Hobli, Bangalore Taluk is an Inam Land belonging to Sri Guruvanna Devara Mutt of - which the petitioner is the Mathadhikari

2 The said land originally comprised of two S Nos 3 and 6 and to the best of the Petitioner's knowledge and information the said land belonged to private parties and was gifted by them to the Mutt in the year 1849 for certain definite religious services to be performed periodically from the income of the land to commemorate the death of the ancestors of - the donors For this reason, probably, the Khata of the lands continued in the names of the private- -

parties

parties - and it was only latterly that the said lands were clubbed into one Survey No (S No 10) and was styled as Devadaya - and the Khata was made in the name of the Mutt - obviously to prevent any alienation either by the heirs of the Doners or by the Mathadhikari which might thwart the intentions of the Original grant

3 But no such alienation took place - and the intention of the Original grant ~~was~~ has been strictly kept in view and the income from the land has been used accordingly But there never was any condition that this land should be used only as an agricultural land and not otherwise - and therefore the land was being used to yield the largest income either by Agriculture or otherwise And some years ago the land had been leased to the Bangalore Woollen Cotton and Silk Mills Company,Ltd Bangalore - who were using it for purposes other than agricultural and were in possession for over 13 years And the Government did not object to the lease for the apparent reason that the lease was beneficial to the Mutt as it was yielding an income larger than it would fetch by agriculture

4 That after the petitioner became the Mathadhikari, the Petitioner started negotiations with

17

with the Bangalore Woollen Cotton and Silk Mills Company Ltd , Bangalore - to renew the lease on more favourable terms And the - Mills were agreable to take the land on lease if the lease was made for a period of 99 years But as the petitioner was not competent to grant a lease for any period more than 5 years under the Muzrai Regulation - without the previous - sanction of the Muzrai authorities - he submitted a petition to the Deputy Commissioner - praying for necessary sanction and the petition is still - pending disposal

5 But in the meanwhile, for apparently no reason what so ever, the Government intervened and without any notice to the petitioner or any enquiry - directed the resumption of the land - vide their order No 183-6/Muz 273-27-6 dated - 24/7/1928 The further negotiations with the - Mills had therefore to be suspended

6 The Petitioner as soon as he became aware of the order of the Government, immediately approached the Government with a petition praying for a review of their order The Government admitted the petition which was registered as Muzrai Review - petition No 29 of 1929-30, and was posted for hearing on 1/11/1930 on which date it was heard by the then

Mug 391-17

member

18

member in Council the Late Mr C S Balasundaram Iyer, and orders were reserved But the petitioner is not aware of any orders having been brought passed And when the petitioner ~~thought~~ this fact to the notice of the Government in his - petition dated 19/5/1932, and prayed for early orders - he was granted an endorsement No 1929 Muz dated 23/24-6-1932 merely referring him to the original order dated 24/7/1928 Thus the Review application is still apparently pending disposal before the Government

7 It is not necessary to reiterate the grounds on which the Review was sought for It is enough to submit that the Review petition was admitted and the Member in Council who heard the case was satisfied that the grievances of the - petitioner were valid and promised to pass orders considering the equities of the case

8 At any rate it is clear from the report of the Muzrai Commissioner that the Mutt has been kept in proper condition and the services are conducted properly and it is also clear that none of the - - conditions which generally empower the Government to resume the Inam land - exist in this particular case

9 In

19

9 In the meanwhile in anticipation of the favourable orders on his Review petition the petitioner resumed his negotiations with the Mills - and has succeeded in securing the best - possible terms for a lease for a period of 99 - years The ~~petitioner~~ petition submitted by the Mill authorities to the Government in this connection will also bear out the petitioner's statements Only the formal sanction of the Government is necessary to complete the transaction

10 It is respectfully submitted that by according their sanction to the lease the Government would be helping the institution very materially and would also help the petitioner to perpetuate the services in the Mutt in strict compliance with the - terms of the grant

WHEREFORE, the petitioner most respectfully prays that the Government be graciously pleased to - - accord their sanction to the petitioner to enter into the lease referred to above

The Petitioners above-named respectfully beg to state as follows -

1 That Sri Mahanta Swami - the Mathadhikari of Sri Guruvanna Devaru Mutt, Magadi Road, - Bangalore, has carried on negotiations with us and has agreed to lease a land S No 10 of Hanumanthapura Village, Kasaba Hobli, Bangalore Taluk, to the Mills subject to the sanction of the Government to enter into the lease

2 The petitioners are willing to take up this land on a lease for a period of 99 years, as - any lease for a shorter period would not be beneficial to the Mills, provided however they are given a defenite assurance by the Swami and the Government that a lease for that period would be valid and binding on the - - succeeding Mathadhikaris

22

3 The Petitioners have come to an - understanding with Sri Mahanta Swami, the - - present Mathadhikari regarding the rent payable for this land, and all other terms and conditions of the lease have also been agreed upon subject to the condition that the title of the Petitioner- to be in possession for 99 years is assured to them

4 The Petitioners are also convinced - that this lease transaction is beneficial to the Mutt also

5 The proximity of this land to the - Mill properties has decided the petitioners to - enter into negotiations with the Mathadhikari Besides, as the Petitioners are not agreeable to make any large investment to purchase this land and as the lease of the land for a long period is - - likely to secure all the benefits of ownership, they have decided to enter into the lease

6 The petitioners learn that any lease for a period of more than 5 years entered into by the Mathadhikari without the sanction of the - - Government is not valid, They have asked the - - Mathadhikari to apply for and obtain the necessary sanction, and we understand that he has filed a petition in this behalf before the Government
